

## 2011 Tournament Recap

**WALSER**

**June 29, 2011 | Lake Minnetonka tourney results are posted!** Congrats to **Mike Doughty and Tim Krebs** of *Team Flippin' and Lippin'* for their 1st place finish with 13.90 lbs and a 4.00 lb big bass today at Lake Minnetonka! They took home \$221 for all their hard work.

Two new teams got on the money board and sprung up in the points so we are excited about that. *Team Keepin' It Reel* of **Jay Masters and Jerry Netland** took 2nd place with 12.55 lbs for \$94 and *The Treble Makers* **Greg Lauinger and John Lucking** took 3rd place with 11.55 lbs and also big bass #2 that was also 4.00lbs for a total of \$90!

Because two teams each had the same size big bass, the team with the heaviest bag wins the larger (70%) pot and the other team getting the remaining 30%. The points standings are still tight and plenty of tourneys to catch up to Flippin' and Lippin' our first team to reclaim their entry fee for the year. See you on Waconia on July 10th, blast order can be found [here](#).
