

2011 Tournament Recap

August 18, 2011 | Prior Lake results have been posted! Congrats to the inaugural year Team Champions - *Flippin' & Lippin'* of **Mike Doughty and Tim Krebs!** Going into the final regular season tournament on Prior Lake they had a sizeable lead over perennial 4th place finishers The Bassassins and did as they had all year - sacking 5 bass for 12.40lbs to take 1st place. They were awarded \$175, capture Big Bass #2 (5.05lber) for \$30, and will receive an additional \$120 for being team champions! CONGRATS TO THE WBT INAUGURAL YEAR TEAM CHAMPS! The target is officially on you guys for Farm Island and next year!

Runners-up in 2nd place were *The River Rats*, **Jared Mertes and Torrie Oswald.** These two used their lake knowledge to catch 11.60lbs earning them \$105 for their efforts. 3rd place went to team *That's What She Said*, **Jeremie Larson and Bruce Larson**, who after some tough finishes showed they belong, catching 11.35lbs and earning \$70 for the pocket.

Last but not least, *The Bass Bros*, **Marty and Mike Jensen** erupted in the last tourney of the season with the biggest bass of the 2011 tour, a 5.30lb donkey that resulted in a \$70 payout. Congrats to all our winners!

The end of year results are posted and as mentioned at the weigh-in, "results were not official." Please check them out as there was one correction that might upset *Keepin' It Reel... I did say "unofficial..."*

Our inaugural season will wrap up at the **Tournament of Champions on Farm Island Lake** on September 17th and 18th. A reminder that this is a two day cumulative weight tournament and so overall results and payouts will occur Sunday. We will have a Big Bass pot each day. Tournament blast-off can be found [here](#).
