

## 2011 Tournament Recap

**September 19, 2011 | Congratulations to Team Flippin' & Lippin' – Mike Doughty and Tim Krebs** for taking the tournament of champions on Farm Island Lake! Their 2-day total of 22.65lbs barely eked out **The Dirty Rotten Bassers** (21.95lbs, *Jim Eulberg and Rock Shirt* and **The Bassassins** (21.60lbs, *Dan and Jim Krocak*).

The weather was absolutely horrendous for these warriors as the prior week held warm, 70 degree temps only to give way to the ultimate fall cold front that resulted in a 20 degree drop, rain, and *wind*. The group as a whole found refuge along the various shoreline structure probing weedbeds with various presentations - senkos, swimjigs, small cranks.

*The Bassassins* finally cashed a 2011 check with their 3rd place finish, the lone boat that spent the majority of the time on mid lake flats cranking the edges.

**Team Keepin' It Reel** made adjustments on day 2 to capture an additional \$20 for *Most Improved Day 2 team* going from 5.05lbs on day 1 to 10.85lbs on day 2. Big Bass day 1 was team *Flippin' and Lippin'* (3.65lbs - \$50) and day 2 was *The Dirty Rotten Bassers* (3.85lbs - \$63) and *The Bassassins* (3.70lbs - \$27).
