

2012 Tournament Recap

June 5, 2012 | Green Lake Tourney Results - 2012 was kicked off in Spicer, MN at Green Lake! The full moon was upon us and the weather was stable with low winds, perfect for the first tourney of the year!

WBT Members brought in a mixed bag of largemouth and smallmouth bass with many observing that the bass were starting to hang tight to their beds as they adjust during the spawning period. Generally senkos, tubes and other vertical baits nabbed the fish and natural colors factored in for the most part.

3rd Place - The River Rats: *Jared Mertes and Torrie Oswald* took 3rd place at 16.20lbs earning themselves \$63 for their efforts.

2nd Place - Flippin' & Lippin': These guys continued their 2011 pace by placing 2nd and earning \$126. *Mike Doughty and teammate Tim Krebs* brought in 16.40lbs.
