

## 2012 End of Year Recap

**WALSER**

### **2012 TOC and Season Wrap-up**

This season we took good steps in learning from 2011 and I can assume individually, with our own fishing knowledge. We crowned a new team of the year, acquired new members, and maybe you even won some cash for a stop at McDonald's due to the 4<sup>th</sup> Place "Krocak Rule."

However the year ended, hope you enjoyed the WBT. Feel free to reach out to us if you will be getting on the water this fall and we can continue the vibe we got going here – camaraderie, education, competition. Teaming up together on a lake outside the tourneys could be just as much fun!

Take care and have a great winter!
