

## 2013 Tournament Recap

**July 10, 2013** | The Walser Bass Tour hit a tough bite on Lake Waconia as lightning and storms once again delayed the launch 1 hour, similar to our event here 2 years ago. The bite was not specific and it was *Last Cast* that claimed the top prize! Here's how the others shook out:

**4th Place – 12.30 lbs – Flippin' Aint Easy:** *Rob Bolke and Aaron Schmoldt* again cashed a \$25 check for 4th place but it was their big bass of 3.90 lbs that earned them another \$98. These guys reported the bite was spread out, catching one here, one there.

**3rd Place – 12.95 lbs – Shake N Bake:** Lucas Matzke lost his partner Mike Winkler who moved to Tennessee. No worries, his sub for the day help reel in enough weight to net them \$95 for their efforts. They too got fish in various ways and scattered throughout the lake.

**2nd Place – 13.75 lbs – Silver Lining:** *Jeremie Larson and Bruce Larson* were able to patrol shoreline areas with a swimjig to capture 2nd place earning them \$145.

**1st Place – 15.60 lbs – Last Cast:** *Paul Hecht and Mark Wessel* took top place for their first time in the WBT! Generally jumping spots, these guys found some of their larger fish by docks and earned \$225 for their efforts, taking the overall lead in team standings.

**Big Bass #2 – 3.85 lbs – Gotta Have More Cowbell:** Jesse Larson and Andy Vonch - yes, Chairman of the Board at Vonch Towing - caught the second overall big bass on a rattletrap. Careful netting by Vonchero earned these good old boys \$42 for their effort!
