

2013 Tournament Recap

July 15, 2013 | It was a chilly start on North and South Center with impending weather showing out west. But it never turned into anything of note, just a passing shower was all, and it was **Team Shake N' Bake** that won their first tourney of 2013. Here's the results:

4th Place – 12.85 lbs (TIE) Flippin' & Lippin' and The Bassassins: *Mike Doughty and Tim Krebs (Flippin')* and *The Bassassins Jim Krocak and sub Will Haase* tied with the same weight. The Bassassins took the \$25 check due to their larger big bass and both teams split the points for 4th and 5th place, each scoring 26.5 points.

3rd Place – 13.40 lbs – Flippin' Aint Easy: *Rob Bolke and Aaron Schmoltdt* reeled in \$95 for 3rd place and also caught the second largest bass earning them an additional \$42.

2nd Place – 13.65 lbs – Last Cast: *Paul Hecht and Mark Wessel* continued their winning ways and expanding their lead in the team of the year race. Covering a bunch of water, they earned 2nd place and \$145.

1st Place – 15.60 lbs – Shake N' Bake: *Lucas Matzke and Alex Spies* won in the last minutes of the tourney! With 5 minutes left to go in the tourney, they returned to a spot that had “looked too good not to hold a fish” when visited earlier in the day. Within 2 casts Lucas had a large fish on which snapped his rod on the hook set! Partner Alex hand wound the lunker in and to their chagrine it was large bass of the day (4.80lbs, \$98) and tipped the scales for their first top finish in 2013 and \$225 - Congrats on win!

Tackle Give Away - *Rob Bolke* was able to help raffle out two new baitcasters, two packs of trokar hooks, and two trokar tshirts. Congrats to the teams that won these awesome prizes!
