

## 2013 Tournament Recap

**August 18, 2013** | East and West Sylvia lived up to all its expectations today, with a large quantity of bass caught by WBT Members and a big bite being elusive. It was a late day decision by Team *Flippin' Aint Easy* that put them over the top. Collectively, the WBT scoured the weedlines, humps, docks and everywhere in between to find fish - here's the top winners:

**4th Place – 10.75 lbs - Flippin' & Lippin':** *Mike Doughty and Tim Krebs* manage to fill their limit with their kicker for the day and 2nd largest bass of the tourney. The 3.30 lb bass earned them \$42 and another \$25 for their 4th place finish.

**3rd Place – 11.30 lbs – The River Rats:** Persistence on the weedlines with worms and jigs for *Torrie Oswald and Jared Mertes* earned these guys \$95 for 3rd place.

**2nd Place – 11.65 lbs – Shake N' Bake:** Lots of drop shotting and persistence proved successful for *Lucas Matzke and Alex Spies* and earned them \$145 for their day.

**1st Place – 11.70 lbs – Flippin' Aint Easy:** *Rob Bolke and sub Nate Whited* won their first WBT tourney and \$225 for their efforts. It was a zara spook that bagged the largest bass of the tourney - a 3.55 lber - to also win them an additional \$98. General presentations were deep weedlines and mixing in some docks. Congrats!

**Team of the Year Standings:** Of key interest, it looks like the team of the year standings have dramatically changed to a closer race as we go into the two day TOC in Septemeber, check the overall standings for those results!
